International Behavioural and Neural
Genetics Society

**14th Annual Genes, Brain and
Behavior Meeting**

**May 15 – 19, 2012
Millennium Hotel, Boulder,
Colorado, USA**

Meeting Information at www.ibangs.org

The IBANGS Meeting is an excellent opportunity to learn about cutting edge research across a range of organisms in the rapidly developing field of neurobehavioural genetics. The relaxed atmosphere and social programs will provide ample opportunities for participants ranging from established scientists to post and pre-doctoral trainees to interact and collaborate. The meeting will consist of three-and-a-half days of scientific sessions: two plenary lectures, symposia, short oral presentations and posters. An opening reception and a closing banquet will be included. Graduate students, postdoctoral fellows and junior faculty can apply for travel stipends.

BOULDER: Located in the foothills of the Flatiron Mountains only 35 minutes drive from Denver and the International Airport, Boulder is a captivating community enriched with natural beauty, hip urban culture and a vibrant love of the outdoors. Visit Boulder and experience its distinctive lifestyle overflowing with world-class restaurants, and exceptional shopping and art. The Millenium Hotel is in the center of Boulder, bordered by Boulder Creek. Bike, hike or stroll along Boulder Creek or take a trip into the mountains.
